

# **Express Service**

(individual library hours here)

**Appointments every 15 minutes designed for convenience, safety, and efficiency during your library visit. Masks, properly worn, are required.**

## **You can:**

- browse the collections
- check out items using the self check-out stations
- get a library card
- place / receive interlibrary loans (ILL)
- use a catalog computer
- use our restrooms
- use our copier

## **Limited in-person assistance:**

- staff are available to answer library account questions
- curbside service is available upon request
- returned items will be quarantined for 72 hours before being checked in

## **Computer appointments:**

- call your library to schedule a 60 minute appointment
- no hands-on staff assistance
- masks must be worn at all times

## **Mask-free visit:**

**If you prefer not to, or are unable to, wear a mask inside the library, you can:**

- place a hold online for curbside pickup
- call your library for help placing a hold or selecting an item for curbside pickup

## **We're not quite ready for...**

- hanging out
- in-house events or programs
- in-house reading or studying
- meetings or study groups
- sharing items like toys or pillows
- gathering in groups
