Dear CLN Members,

We are pleased to present the annual report of the Community Library Network for the 2022 fiscal year. Throughout the year, we worked to reconnect with our communities and forge ahead to create a better work and common place for all. This report highlights efforts by our talented staff throughout our 8 libraries in the District and gives a snapshot of the importance of the library in the lives of our patrons. We are committed to give our communities a place for learning, connection, discovery, and refuge. Looking ahead, we are excited to start implementing our new strategic plan and prioritize our goals over the next 3 years.

Sincerely,

Katie Blank, Board Chair & Lindsey Miller-Escarfuller, Interim Director
